4-H Club Community Service Project Plan

A project plan outline for a 4-H club community service effort, helping members describe the need, partners, tasks, and results of what they do for others.

Farm / unit: _____ Date: _____ By: _____

Project title and service partner

Community need being addressed

Goals and expected outcome

Members and adult supervisors

Tasks and schedule

Supplies and cost estimate

Safety and permission needs

How results will be recorded

Reflection on what members learned

TIP Talk with the partner organization before finalizing the plan so your work matches what they actually need.
