4-H Vet Science Project Record

A veterinary science project record for 4-H members to log animal observations, care topics studied, shadowing visits, and what they learned. Print as many copies as you need and fill in a new line after each entry.

Farm / unit: _____ Date: _____ By: _____

Date	Animal or topic	What I observed	What I learned	Mentor	Initials

TIP Ask your veterinarian before handling treatment topics, and record only what you observed or were taught.
