Aquaculture Farm Benchmarking Worksheet

This printable aquaculture farm benchmarking worksheet helps fish farmers, pond owners and managers compare farm results across seasons or peers. Fill in each line by hand.

Farm / unit: _____ Date: _____ By: _____

Farm name _____

Period covered _____

Production results _____

Feed use results _____

Survival results _____

Cost results _____

Peer or past season comparison _____

Goals for next season _____

NOTES / CALCULATIONS

TIP Compare with your own past records first, then use extension or industry data for peer comparison.
