Aquatic Invasive Species Prevention

This printable aquatic invasive species prevention helps fish farmers, pond owners and managers prevent spreading aquatic invaders. Follow the steps in order. Keep finished copies with your farm records for easy reference later.

Farm / unit: _____ Date: _____ By: _____

1. Learn local invasive species
2. Inspect boats and gear
3. Clean off plants and mud
4. Drain water from equipment
5. Dry gear before reuse
6. Never move fish or plants between waters
7. Report suspect species
8. Keep a trip log

YOUR NOTES

TIP Follow your state's clean, drain and dry advice and report new finds to the proper agency.
