Fish Product Labeling Guide

This printable fish product labeling guide helps fish farmers, pond owners and managers plan labels for fish products you sell. Follow the steps in order.

Farm / unit: _____ Date: _____ By: _____

1. Identify the product and species
2. Choose the market channel
3. Check agency labeling rules
4. Draft label wording
5. Add handling instructions
6. Add your farm name and contact
7. Review with your regulator
8. File final label copies

YOUR NOTES

TIP Confirm required label wording with the agency that regulates your product before printing.
