Invasive Aquatic Plant Guide

This printable invasive aquatic plant guide helps fish farmers, pond owners and managers spot and report invasive aquatic plants. Follow the steps in order. Keep finished copies with your farm records for easy reference later.

Farm / unit: _____ Date: _____ By: _____

1. Learn local invasive plant names
2. Walk the shoreline regularly
3. Photograph suspect plants
4. Note exact location
5. Avoid spreading fragments
6. Clean boats and gear
7. Report finds to authorities
8. Record control steps

YOUR NOTES

TIP Report suspected invasive plants to your state agency instead of pulling them out and spreading pieces.
