Pond Acclimation Plan

This printable pond acclimation plan helps fish farmers, pond owners and managers ease new fish into pond water. Follow the steps in order. Keep finished copies with your farm records for easy reference later.

Farm / unit: _____ Date: _____ By: _____

1. Check pond water quality
2. Check transport water quality
3. Float bags or containers
4. Mix pond water in slowly
5. Watch fish behavior
6. Release fish gently
7. Observe after release
8. Record any losses

YOUR NOTES

TIP Plan acclimation for a calm cool part of the day and follow your supplier's advice.
