Reservoir Fisheries Management

This printable reservoir fisheries management helps fish farmers, pond owners and managers outline fisheries management for a reservoir. Fill in each section. Keep finished copies with your farm records for easy reference later.

Farm / unit: _____ Date: _____ By: _____

Reservoir description

Water level patterns

Fish populations

Habitat and structure

Angler access and use

Stocking history

Management actions

Monitoring and review

TIP Link management notes to water level changes, since they strongly affect fish habitat.
