River Fisheries Management

This printable river fisheries management helps fish farmers, pond owners and managers outline fisheries management for a river. Fill in each section. Keep finished copies with your farm records for easy reference later.

Farm / unit: _____ Date: _____ By: _____

River reach description

Flow patterns

Fish populations

Habitat and barriers

Angler access and use

Water quality notes

Management actions

Monitoring and review

TIP Work with state agencies and local partners, because river management often crosses property lines.
