Stream Fisheries Survey

This printable stream fisheries survey helps fish farmers, pond owners and managers survey fish and habitat in a stream. Fill in each line by hand.

Farm / unit: _____ Date: _____ By: _____

Stream name _____

Reach description _____

Survey date _____

Pool and riffle notes _____

Bank and cover notes _____

Fish species seen _____

Barriers noted _____

Photos taken _____

NOTES / CALCULATIONS

TIP Mark reach start and end points with GPS or landmarks so a later survey uses the same reach.
