# Beef Acclimation Plan Template

A beef acclimation plan template for outlining how new cattle are settled into a new place with feed, water and health care. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

## Source and cattle description

## Arrival rest and water plan

## Starting feed and transition plan

## Health protocol per veterinarian

## Pen and group assignment

## Daily observation schedule

## Records to keep

## Review and changes

**TIP** Introduce feed changes slowly according to your nutritionist's advice and watch intake from the very first day.
