Beef Herd Biosecurity Plan

A beef herd biosecurity plan template for documenting how disease is kept out and contained across animals, people and vehicles. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

Farm map and zones

Animal purchase and quarantine rules

Visitor and vendor rules

Vehicle and equipment cleaning

Pest and wildlife control

Sick animal handling

Record worker training

Plan review with veterinarian

TIP Review the plan with your veterinarian each year and make sure everyone on the farm knows their part.
