Beef Cattle | TEMPLATE

Beef Herd Health Emergency Plan

A beef herd health emergency plan template for deciding in advance who to call and what to do during outbreaks, serious injury or sudden death losses.

Farm / unit: _____ Date: _____ By: _____

Emergency contacts and veterinarian

Signs that trigger a call

Isolation pen and steps

Who handles animals and records

Reporting steps to state officials

Disposal plan for dead animals

Supply and drug list

Communication with buyers and neighbors

TIP Post the plan where all workers can see it, and walk through it with your crew and veterinarian each year.
