Beef Herd Health Plan Template

A beef herd health plan template for working out vaccination, parasite control, nutrition and biosecurity routines with a veterinarian for a cow herd. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

Herd description and goals

Veterinarian and contact details

Vaccination plan by class of cattle

Parasite control approach

Nutrition and mineral program

Biosecurity and new animal rules

Treatment and record keeping routine

Emergency and disease reporting steps

TIP Build the plan with your veterinarian and revisit it each year, since disease risks and herd needs change.
