Beef Cattle | TEMPLATE

Beef Herd Improvement Plan

A beef herd improvement plan template for setting goals, choosing selection tools and tracking progress in herd productivity over several years. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

Current herd strengths and weaknesses

Record improvement goals

Records and data to collect

Selection and culling approach

Breeding and sire plan

Feed and health support

Record review schedule

Results and lessons learned

TIP Keep goals few and measurable, and review the plan each year with someone who can look at your records honestly.
