Beef Supplement Selection Guide

A beef supplement selection guide that walks through choosing protein, energy or mineral supplements to match forage and cattle needs. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

1. Test the forage you are feeding
2. Know your cattle's production stage
3. Identify what the forage lacks
4. Compare supplement types
5. Read labels and cautions
6. Plan how to feed and store it
7. Track intake and condition
8. Review with a nutritionist

YOUR NOTES

TIP Choose supplements based on forage tests and cattle condition rather than habit, and confirm with a nutritionist.
