Beef Cattle | LOG

Calving Record Sheet

A calving record sheet for beef herds to log each birth, the dam, sire, calf sex, vigor and any help given, building a clear calving season history.

Farm / unit: _____ Date: _____ By: _____

Date	Dam ID	Calf ID	Sex	Assistance given	Notes

TIP Walk the calving pasture on a regular schedule and fill in the sheet while details are fresh, before tagging the next calf.
