Colostrum Management Record

A colostrum management record for noting whether each newborn calf nursed or was fed colostrum, how and when, to help prevent weak calf losses. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

Date	Calf ID	Dam ID	Source of colostru	Fed or nursed	Notes

TIP Record every calf, especially after hard births, and ask your veterinarian how to check that calves got enough colostrum.
