Beef Cattle | WORKSHEET

Corral Design Worksheet

A corral design worksheet for sketching pens, alleys and gates and listing what cattle numbers and jobs the corral must handle. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

Number and class of cattle served _____

Main jobs done in the corral _____

Pen and alley layout notes _____

Gate and latch locations _____

Chute and sorting area plan _____

Drainage and footing _____

Worker safety and exits _____

Budget and materials list _____

NOTES / CALCULATIONS

TIP Sketch several layouts on paper first and ask extension to check them before building anything permanent.
