Disaster Preparedness Plan for Beef

A disaster preparedness plan template for beef operations to outline how people, animals, feed and records are protected during severe events. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

Operation map and contacts

Hazards most likely to happen

Animal movement and shelter plan

Feed, water and fuel backup

Identification and records plan

Communication with family and workers

Veterinarian and officials list

Recovery and insurance steps

TIP Share the plan with family, workers and neighbors and test it before storm or fire season.
