Beef Cattle | TEMPLATE

Grazing Management Plan Template

A grazing management plan template for organizing paddocks, water, forage goals and monitoring, to be used by ranchers working with NRCS or extension staff. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

Operation and land description

Forage and livestock goals

Paddock and water layout

Grazing and rest approach

Drought and dry weather plan

Monitoring methods and photo points

Records to keep

Record planned improvements

TIP Ask your local NRCS office or extension agent to review the plan and help match it to your soils and forage.
