Loading Ramp Inspection Form

A loading ramp inspection form for checking surface, sides, footing and gates on a cattle loading ramp before trucks arrive. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

Date and inspector _____

Ramp surface condition _____

Cleats or footing condition _____

Side panels and rails _____

Gate and latch operation _____

Connection to truck or trailer _____

Lighting and visibility _____

Record repairs needed _____

NOTES / CALCULATIONS

TIP Inspect before every shipping day and make repairs before animals are loaded, since slick or loose parts cause injuries.
