Manure Management Plan for Beef

A manure management plan template for beef operations to record where manure is made, stored and used, with notes on soil and water protection. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

Operation and animal groups

Manure sources and locations

Storage and handling methods

Fields used for application

Soil and manure test notes

Setbacks from water

Timing and weather cautions

Record records kept

TIP Check your state environmental rules and ask NRCS or extension to review the plan, especially near streams and wells.
