Mineral Supplement Record

A mineral supplement record for tracking which minerals are offered to cattle, where and how much is consumed, so intake can be watched. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

Date	Pasture or pen	Mineral product	Amount put out	Intake noted	Initials

TIP Choose and feed minerals per the product label and ask your extension nutritionist about local needs, including those for your forages.
