Odor Management Plan for Feedlots

An odor management plan template for feedlots to outline sources of odor, steps to reduce them and how neighbors are informed. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

Odor sources on the site

Pen cleaning and surface care

Manure storage and handling

Feed storage and spoilage control

Record mortality handling

Weather and timing cautions

Neighbor communication plan

Complaint response and records

TIP Review the plan with extension and your state environmental agency, and keep records of steps taken.
