Runoff Management Plan for Feedlots

A runoff management plan template for feedlots to document how rain runoff is collected, held and used or released safely. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

Site map and drainage paths

Pen and lot areas

Runoff collection structures

Holding pond or basin details

Record inspection schedule

Land application or use

Setbacks from water

Records and reporting steps

TIP Check state environmental rules, and ask NRCS or your state agency to review the plan before relying on it.
