Beef Cattle | WORKSHEET

Shade Structure Planning Worksheet

A shade structure planning worksheet for deciding where and what kind of shade to give cattle, based on location, herd size and heat risk. Print it and keep it handy where the work gets done.

Farm / unit: _____ Date: _____ By: _____

Pasture or pen location _____

Number and class of cattle _____

Heat problem observed _____

Natural shade available _____

Structure type considered _____

Placement and orientation _____

Materials and cost estimate _____

Record maintenance plan _____

NOTES / CALCULATIONS

TIP Think about airflow and wet ground as well as shade, and ask extension for design ideas that suit your region.
