Beginning Farmer Annual Review Template

An annual review template for beginning farmers. It helps a farm look back at the year across production, money, people, and goals to plan the next one.

Farm / unit: _____ Date: _____ By: _____

Year summary

Production results

Financial results

Marketing results

Labor and family notes

Lessons learned

Wins to celebrate

Goals for next year

Action steps

TIP Hold the review with family or partners and write down decisions while they are fresh.
