Beginning Farmer Breeding Plan

A breeding plan template for beginning livestock farmers. It records goals, selection, breeding timing, and results so decisions can be reviewed after each season. Keep it with your farm records.

Farm / unit: _____ Date: _____ By: _____

Animal group and species

Breeding goals

Selection criteria

Sire or semen source

Breeding season plan

Pregnancy check plan

Birthing and care plan

Records to keep

Review after season

TIP Talk with your veterinarian and a breed association or Extension for breeding guidance.
