Beginning Farmer Contract Template

A template outline for a farm contract. It lists the sections commonly used in agreements with buyers, suppliers, or contractors so an attorney can prepare the final document.

Farm / unit: _____ Date: _____ By: _____

Parties and contact details

Description of goods or services

Quantity and quality terms

Price and payment terms

Delivery terms

Term and renewal

Dispute handling

Termination

Signatures

TIP Have an attorney review any contract before signing, since state law varies.
