Beginning Farmer Crop Insurance Guide

A guide to crop insurance for beginning farmers. It explains the basic steps for learning about coverage and working with an agent before the sales closing date.

Farm / unit: _____ Date: _____ By: _____

1. Learn how crop insurance works
2. Find a licensed crop insurance agent
3. Ask about beginning farmer options
4. List crops and acres
5. Gather production records
6. Compare coverage options
7. Note sales closing dates
8. Report acreage on time
9. Know the claim steps

YOUR NOTES

TIP Contact an agent and RMA early, since deadlines and options depend on crop and county.
