# Beginning Farmer Livestock Insurance Guide

A guide to livestock insurance for beginning farmers. It lists the common programs and private coverage options to ask about and compare. Use it alongside advice from local advisors.

Farm / unit: _____ Date: _____ By: _____

1. List your animals and their value
2. Learn federal program options
3. Ask private agents about coverage
4. Ask about covered causes of loss
5. Ask about records needed
6. Compare costs and limits
7. Understand claim steps
8. Keep animal records
9. Review coverage yearly

**YOUR NOTES**

**TIP** Ask your agent and the program office what records you need to file a claim.
