Beginning Farmer Packaging & Labeling Guide

A guide to packaging and labeling farm products. It lists the label topics to check so products are clear, accurate, and acceptable to regulators. Use it alongside advice from local advisors.

Farm / unit: _____ Date: _____ By: _____

1. Product name
2. Ingredient list
3. Allergen statements
4. Net quantity statement
5. Farm name and address
6. Lot or batch coding
7. Storage instructions
8. Required statements for your product
9. Check with agency before printing

YOUR NOTES

TIP Check your label with the state agriculture agency before printing a large order.
