Beginning Farmer Savings Plan

A savings plan template for beginning farmers. It sets goals, sources, and timing for building reserves for emergencies, repairs, and growth. Keep it with your farm records.

Farm / unit: _____ Date: _____ By: _____

Savings goals

Reserve for emergencies

Reserve for equipment repair

Reserve for taxes

Reserve for growth

Where funds are kept

Contribution plan

Review schedule

Progress notes

TIP Set aside savings as soon as income arrives rather than waiting for what is left.
