Beginning Farmer Value-Added Product Regulations

A guide to regulations for value-added farm products such as jams, sauces, and baked goods. It helps producers find which rules apply to each product.

Farm / unit: _____ Date: _____ By: _____

1. List each value-added product
2. Identify product category
3. Contact the state agriculture agency
4. Ask about kitchen rules
5. Ask about training needs
6. Ask about labeling rules
7. Ask about sales venues
8. Keep recipes and batch records

YOUR NOTES

TIP Ask your state agriculture agency how each product is classified before you start selling.
