Beginning Farmer Weed Management Plan

A weed management plan template for beginning farmers. It lays out field history, prevention, control methods, and records for each field or crop. Review it with your family or partners.

Farm / unit: _____ Date: _____ By: _____

Field or crop

Weed species noted

Weed history

Prevention practices

Cultural controls

Mechanical controls

Herbicide use per the label

Timing notes

Results and review

TIP Walk fields regularly and note weeds early so your plan can change with what you see.
