Farm Equipment Buying Guide for Beginners

A buying guide for beginners choosing farm equipment. It walks through defining needs, comparing new and used options, and budgeting for ownership and upkeep before spending money.

Farm / unit: _____ Date: _____ By: _____

1. List the jobs you must do
2. Match equipment to your tractor size
3. Compare buying with renting
4. Compare new with used
5. Check dealer service access
6. Ask about parts availability
7. Estimate upkeep and storage needs
8. Review operator safety features

YOUR NOTES

TIP Rent or borrow a machine before you buy to learn whether it fits your work.
