Farm Land Listing Template

A template for listing farmland for sale or lease. Landowners use it to describe the property clearly so interested farmers can judge fit. Print a fresh copy for each project.

Farm / unit: _____ Date: _____ By: _____

Property name and location

Total acreage

Land and soil description

Water sources

Buildings and fences

Current and past use

Available arrangement

Conservation restrictions

Contact information

TIP Include honest details about condition and limits, since clear listings save time for both sides.
