Farm Long-Term Care Planning Guide

A guide to long-term care planning for farm families. It helps owners understand the questions to ask about care needs, coverage, and how care affects the farm.

Farm / unit: _____ Date: _____ By: _____

1. Discuss care wishes with family
2. Review current health coverage
3. Learn about long-term care options
4. Ask about insurance types
5. Understand public program basics
6. Plan for farm work coverage
7. Involve an attorney and advisor
8. Store documents where family can find them

YOUR NOTES

TIP Confirm coverage and program details with a licensed insurance agent or the agency itself.
