Flood Damage Crop Assessment

This Flood Damage Crop Assessment helps growers record crop and soil impacts from flooding. Fill it in by hand and keep it with your farm records for later seasons.

Farm / unit: _____ Date: _____ By: _____

Field name and crop _____

Date water covered the field _____

How long standing water remained _____

Growth stage at flooding _____

Plant survival and stand check _____

Soil crusting, sediment or erosion _____

Photos and map of affected area _____

Agency or insurer contacted _____

NOTES / CALCULATIONS

TIP Report flooding promptly to your insurance agent and FSA office and keep dated photos.
