Fungicide Application Decision Guide

This Fungicide Application Decision Guide helps growers think through whether and when to apply fungicide. Fill it in by hand and keep it with your farm records for later seasons.

Farm / unit: _____ Date: _____ By: _____

1. Identify the crop and growth stage
2. Review disease risk and history
3. Check scouting results
4. Review variety resistance
5. Check weather outlook
6. Compare cost with expected benefit
7. Check label for rates, timing and limits
8. Record the decision and result

YOUR NOTES

TIP Follow label timing and resistance management guidance, and ask extension about local disease pressure.
