Grain Bin Fan Controller Settings

This Grain Bin Fan Controller Settings helps growers record fan controller settings. Fill it in by hand and keep it with your farm records for later seasons.

Farm / unit: _____ Date: _____ By: _____

1. Bin number and grain type
2. Controller type
3. Fan mode selected
4. Set points chosen
5. Sensor positions
6. Season of use
7. Last checked date
8. Notes on grain condition

YOUR NOTES

TIP Confirm settings with extension advice and record changes through the season.
