Greenhouse Seedling Care Guide

This Greenhouse Seedling Care Guide helps growers raise healthy seedlings in a greenhouse. Fill it in by hand and keep it with your farm records for later seasons.

Farm / unit: _____ Date: _____ By: _____

1. Clean trays and benches
2. Choose seed starting mix
3. Seed and label trays
4. Water and humidity routine
5. Light and temperature checks
6. Feeding routine
7. Watch for damping off and pests
8. Plan transition to hardening off

YOUR NOTES

TIP Check seedlings every day and log any issues so you can repeat what works.
