Heirloom Seed Saving Guide

This Heirloom Seed Saving Guide helps growers save and keep seed from heirloom crops. Fill it in by hand and keep it with your farm records for later seasons.

Farm / unit: _____ Date: _____ By: _____

1. Choose healthy plants to save from
2. Note variety and isolation needs
3. Mark plants to be saved
4. Harvest seed at the right stage
5. Clean and dry seed
6. Label with variety and date
7. Store in a cool dry container
8. Test germination before planting

YOUR NOTES

TIP Label every packet clearly with variety and year so seed lines do not get mixed up.
