On-Farm Research Protocol Template

This On-Farm Research Protocol Template helps growers plan an on-farm test with a clear question. Fill it in by hand and keep it with your farm records for later seasons.

Farm / unit: _____ Date: _____ By: _____

Research question

Treatments and check strips

Field selection and uniformity

Equipment and setup needed

Data to collect and when

Weather and field notes

Harvest and weigh plan

Results and what to change

TIP Keep the test simple with one change at a time, and share your plan with an extension agent first.
