Organic Certification Record Keeping Template

This Organic Certification Record Keeping Template helps growers organize records an organic certifier expects. Fill it in by hand and keep it with your farm records for later seasons.

Farm / unit: _____ Date: _____ By: _____

Operation and field list

Field history and buffers

Seed and planting stock records

Input purchase and approval records

Crop production and harvest records

Storage, cleaning and handling records

Sales and delivery records

Contact with certifier log

TIP Ask your certifier which records they require and keep them where an inspector can review them.
