Pollinator Habitat Planning Worksheet

This Pollinator Habitat Planning Worksheet helps growers plan habitat for pollinators on or near cropland. Fill it in by hand and keep it with your farm records for later seasons.

Farm / unit: _____ Date: _____ By: _____

Site name and size _____

Current vegetation and soils _____

Nearby crops and spray plans _____

Plants for early, mid and late bloom _____

Nesting areas for bees _____

Seedbed prep and seeding method _____

Weed control plan during establishment _____

Maintenance and mowing schedule _____

NOTES / CALCULATIONS

TIP Ask NRCS or extension for regional seed mixes and keep plantings away from spray drift.
