Soybean Weed Control Guide

This Soybean Weed Control Guide helps growers plan weed control across the soybean season. Fill it in by hand and keep it with your farm records for later seasons.

Farm / unit: _____ Date: _____ By: _____

1. List main weeds seen last season
2. Note any known herbicide resistance
3. Plan preplant or pre-emergence program
4. Plan postemergence timing by weed and soybean stage
5. Check trait system and label restrictions
6. Note row spacing and canopy closure effects
7. Plan escape and seed bank cleanup
8. Record products, dates and results

YOUR NOTES

TIP Check the label for trait compatibility and spray restrictions before every application, and log each pass.
