Vermicomposting Guide

This Vermicomposting Guide helps growers raise worms to make castings. Fill it in by hand and keep it with your farm records for later seasons.

Farm / unit: _____ Date: _____ By: _____

1. Choose a bin or bed
2. Source worms
3. Prepare bedding
4. Feed on a regular routine
5. Control moisture and temperature
6. Avoid problem feeds
7. Harvest castings
8. Record production and use

YOUR NOTES

TIP Start small and keep the bin moist and out of extreme heat or cold.
