Waterway Design Worksheet

This Waterway Design Worksheet helps growers collect information for waterway planning. Fill it in by hand and keep it with your farm records for later seasons.

Farm / unit: _____ Date: _____ By: _____

Field name and location _____

Drainage area notes _____

Soil type and slope _____

Existing gully or flow path _____

Outlet location _____

Vegetation to establish _____

Maintenance plan _____

Contact NRCS for design help _____

NOTES / CALCULATIONS

TIP Ask NRCS to help design and size the waterway, since flow capacity matters.
